SPOUSES OF HEADS OF MISSION

WARSAW

Warsaw, December 14, 2010

His Excellency  
Ambassador Gabriel Coptsidis  
Embassy of the Hellenic Republic  
Warsaw

*Excellency,*

On behalf of SHOM I would like to express our appreciation for the participation and dedicated commitment of your Embassy in the organization of the 2010 International Charity Bazaar.

One of the keys to the success of this initiative has been the significant time and energy devoted by all countries involved in this event, among which SHOM would like to highlight the performance of the Greek stall. Your contribution with PLN 10,291.00 in sales was paramount to the outstanding financial results our Association achieved this year.

The PLN 185,592.31 (net final total amount) we raised was well beyond our own expectations and will certainly expand the scope of our different philanthropic projects. Congratulations for being such an important part of this great success and once again, thank you for helping SHOM attain this significant outcome.

*Sincerely,*

Lucinda Simas Magalhães
